

Well my name is \_\_\_\_\_ i got something to say  
 Words to the paper making music every \_\_\_\_\_  
 When i'm on the mic there ain't nothing \_\_\_\_\_  
 See me bustin' rhymes with every word and \_\_\_\_\_  
 Ya i got the skills watch me wreck \_\_\_\_\_  
 Stompin in Adidas maybe struttin in some \_\_\_\_\_  
 When it comes to rockin raps know i be's the \_\_\_\_\_  
 If you got some kinda question i'll put it to the \_\_\_\_\_  
 That's how it is and that's how i \_\_\_\_\_ it  
 On this microphone wack rappers better \_\_\_\_\_  
 Move over let me speak use your ears for the \_\_\_\_\_  
 And if you want an answer make it clear with a \_\_\_\_\_  
 Aint no second \_\_\_\_\_ lessons learned are in the \_\_\_\_\_  
 Sacrifice is needed for a chance to make you \_\_\_\_\_  
 There is always a choice so use your \_\_\_\_\_ and make it \_\_\_\_\_  
 I thought I told everybody on the mic I'm in the \_\_\_\_\_!!
